**GAUKROGER TROPHY
AWARDED TO ECOA MEMBER SAIRA**

Many thanks to everyone for another very enjoyable Festive Clout.
The forecast was for light showers from 2pm, but they failed to materialise and the sun made regular appearances.
Occasional small clouds provided welcome sightmarks for some! while the light breeze gently carried arrows with larger fletchings to some interesting places!

Even the small matter of a broken bow apiece for the two Phils couldn't dampen the day!
Thanks to Saira for standing in as Lady Paramount at the last minute, all who helped set up and clear up,
and all archers and supporters from both clubs who came along for a great shoot.

Good Shooting in the New Year and I look forward to seeing you all at our 2015 clout!
